The "AND" operator is unnecessary -- we include all search terms by default. [\[details\]](#)

Patents

Patents 1 - 3 on visual interdev drag and drop. (0.31 seconds)

Drag and drop creation and editing of a page incorporating scripts

US Pat. 6714219 - Filed Dec 31, 1998 - Microsoft Corporation

In addition to the above functional elements, **Visual interdev® 1.0** ... 10 such well-known user-interface features such as **drag-and- drop**, WYSIWYG, etc. ...

System for converting event-driven code into serially executed code

US Pat. 6981215 - Filed Dec 31, 1998 - Microsoft Corp.

... may be modified to replace all scripting requirements with a "**drag-and-drop**"

... **Visual interdev 98** and frontpage 98 (by the Microsoft Corporation). ...

Transporting objects between a client and a server

US Pat. 6889379 - Filed Dec 31, 1998 - Microsoft Corporation

In addition to the above functional elements, **Visual interdev® 1.0** includes ...

such wellknown user-interface features such as **drag-and- drop**, WYSIWYG, etc. ...

visual interdev drag and drop

parallel child process

Search Patents

[Advanced Patent Search](#)
[Google Patent Search Help](#)

Patents

 Patents 1 - 10 on **parallel child process**. (0.05 seconds)

Processor system for executing processes in **parallel** under multitask, control method of waiting for event of **process**

US Pat. 5193186 - Filed Jan 30, 1991 - Hitachi, Ltd.

 A **parallel** executable part of the generated **child process** may be further divided into grandchild processes. In this case, nesting of **parallel** processing is ...

Method and apparatus for processing electronic mail in **parallel**

US Pat. 5835762 - Filed Sep 29, 1997 - Oracle Corporation

 The article of claim 14 wherein spawning **child** processes to **process** the ...
 to: spawn **child** processes to **process** electronic mail objects in **parallel**; ...

Method for performing **parallel** management operations including and deleting computer systems

US Pat. 6223203 - Filed Nov 4, 1998 - Advanced Micro Devices, Inc.

 US Patent Apr., Sheet of No Select Next System as Current System Yes Select First
 System as Current System Create **Child Process** for Current System End ...

Method and apparatus for processing electronic mail in **parallel**

US Pat. 6216127 - Filed Sep 16, 1998 - Oracle Corporation

 respawn=respawn), if the state of a **child process** (ie continues at decision block
 530. ... it the **process** is already 216. If it is determined that the **child** ...

Apparatuses and methods for programming **parallel** computers

US Pat. 6311265 - Filed Mar 25, 1996 - Torrent Systems, Inc.

 58's representation of the **parallel** execution of graph 108A behaves ... If the
process is the **child** of the fork, step 916 causes steps 918, 920, 921, ...

Method and apparatus for processing electronic mail in **parallel**

US Pat. 5504897 - Filed Feb 22, 1994 - Oracle Corporation

 If it is determined that the **child process** is not intended to be respawned, ...
 It can be invoked, for example, to determine which **child process** terminated. ...

Controller for sequential programming tools executed in a **parallel** computing environment

US Pat. 5325530 - Filed Jan 29, 1993 - International Business Machines Corporation

 When the user executes a **parallel** user program, the user terminal ... At a point
 in the **child process** just before the user program is about to be executed, ...

Permutation nuances of the integration of processes and queries as processes at queues

US Pat. 7055142 - Filed Nov 22, 2002 - Microsoft Corporation

 The program 602 includes a **process** 302B requires **child** processes PO, P2 running
 in main() function which is the starting point of execution for **parallel** ...

XX X X XX

US Pat. 7117487 - Filed Nov 22, 2002 - Microsoft Corporation

 Suppose the **process** 302B requires a service in which the **child process** PO is
 desired to be executed in **parallel** with another **child process** P2. ...

Method and system for facilitating hierarchical storage management (HSM) testing

US Pat. 5983368 - Filed Aug 26, 1997 - International Business Machines Corporation

Child process 36 preferably in **parallel** from processes of at least a pseudo device
 driver of the initiates the performance of a file system operation, ...

deferred instantiate

[Search Patents](#)[Advanced Patent Search](#)
[Google Patent Search Help](#)

Patents

Patents 1 - 10 on **deferred instantiate**. (0.18 seconds)

Establishment of a **deferred** network communication session

US Pat. 7000019 - Filed Oct 16, 2001 - Hewlett-Packard/Development Company L.P.

However, since the requesting entity 16 cannot be relied upon to have the appropriate functionality to **instantiate** a leg controller 20 at this stage, ...

System and method for maintenance and **deferred** propagation of schema changes to the affected objects in an object oriented database

US Pat. 5794030 - Filed Dec 4, 1995 - Objectivity, Inc.

... must be available to **instantiate** an object of the derived class. ... 45 A**deferred** update mechanism postpones the updating process until some later ...

Method and system for accessing objects of different thread types

US Pat. 6415334 - Filed May 14, 1997 - Microsoft Corporation

... the apartment thread for receiving messages to **instantiate** objects and to ... is **deferred** until an 50 apartment-threaded object is to be instantiated. ...

System and method for managing security objects

US Pat. 6330562 - Filed Jan 29, 1999 - International Business Machines Corporation

... definition provides the information required to **instantiate** a connection. ...3, **deferred** selectors agement of multiple ipsec filter rules (ie, ...

State management of server-side control objects

US Pat. 7076786 - Filed Apr 5, 2004 - Microsoft Corporation

In this case, it is unnec-essary to **instantiate** an entire control object ...504 and Load operation 506 by virtue of **deferred** control object creation. ...

State management of server-side control objects

US Pat. 6757900 - Filed May 18, 2000 - Microsoft Corporation

A user may enter commands and infor- control objects is **deferred** until the ...is unnecessary to **instantiate** an entire control object hierar- connected to ...

Server-side control objects for processing client-side user interface elements

US Pat. 6961750 - Filed May 18, 2000 - Microsoft Corp.

The latter embodiment, which is said to implement "**deferred** control-object ...In this case, it is unnecessary to **instantiate** an entire control object ...

Databinding using server-side control objects

US Pat. 6792607 - Filed May 18, 2000 - Microsoft Corporation

The latter embodiment, which is said to implement "**deferred** control 5 object ...In this case, it is unnecessary to **instantiate** an entire control object ...

System and method for instantiating a sharable, presistent parameterized collection class and real time process control system embodying the same

US Pat. 5752249 - Filed Nov 14, 1996

... within the base of mapped memory to **instantiate** itself, and may mapped file.... the compaction is **deferred** until the 40 the parameterized collection ...

Method and system for accessing objects of different thread types

US Pat. 6981255 - Filed Dec 26, 2001 - Microsoft Corporation

Alternatively, the creation of the apartment thread can be **deferred** until the Java... When the Java program attempts to **instantiate** an object that is not ...

Patents

Patents 1 - 10 on **dependency uspclass:"715/513"**. (0.02 seconds)

Method and apparatus for end-to-end content publishing system using XML with an object **dependency** graph

US Pat. 7076728 - Filed Dec 22, 2000 - International Business Machines Corporation

By maintaining an Object **Dependency** to The search feature re1 ... The search conditions **dependency** store.716 allows the loading of specialized of search ...

System for managing networked information contents

US Pat. 6871321 - Filed Mar 20, 2001

The content variable in the first term of a hierarchical **dependency** clause is ... Suppose that a content variable C is defined in some **dependency** clause. ...

Method of compiling schema mapping

US Pat. 6874141 - Filed Jun 29, 2000 - Microsoft Corporation

The method of claim 2, wherein selecting a source loop path node for the target node according to the consolidated source **dependency** list comprises: ...

Self-modifying data flow execution architecture

US Pat. 6772395 - Filed Feb 1, 2000 - Microsoft Corporation

Then, all ing elements can be controlled based on the **dependency** of the nodes linked to the changed node are traversed analysis, thus avoiding the ...

Deployment manager for organizing and deploying an application in a distributed computing environment

US Pat. 6986135 - Filed Sep 6, 2001 - Cognos Incorporated

Further, the deployment policies 88 provider: a list of application entities packed, a list of may include **dependency** policies 88a, mapping policies ...

System and method for determining if one web site has the same information as another web site

US Pat. 6687734 - Filed Mar 21, 2000 - America Online, Incorporated

30) includes a block 3110 in which database 170 provides an attribute from an attribute **dependency** graph for the current vertical domain (eg, weather, ...

Extending application behavior through active properties attached to a document in a document management system

US Pat. 6562076 - Filed Aug 31, 1998 - Xerox Corporation

... of image 170 would be modified without the user ever knowing that the operation could be creating errors in the **dependency** relationship to text 165. ...

Automated media delivery system

US Pat. 6964009 - Filed Aug 14, 2001 - Automated Media Processing Solutions, Inc.

A Script Table 1200 has 5 columns, Media Script 1210, HTML Equivalent 1220, Bandwidth 1230, Generated File 1240, and **Dependency** List 1250. ...

Client side, web-based spreadsheet

US Pat. 6988241 - Filed Nov 15, 2000 - International Business Machines Corporation

In particular, the cell information related to each individual cell includes, but is not limited to, the information related to cell **dependency**, formatting, ...

Automated processing and delivery of media to web servers

US Pat. 6792575 - Filed Oct 21, 1999 - Equilibrium Technologies

DATABASE DESCRIPTION SCRIPT TABLE MEDIA SCRIPT HTML EQUIVALENT BANDWIDTH GENERATED FILE **DEPENDENCY** LIST - - - - **DEPENDENCY** TABLE FILE NAME MODIFICATION ...

[Search Patents](#)
[Advanced Patent Search](#)
[Google Patent Search Help](#)
Patents

Patents 1 - 10 on render stream uspclass:"715/513". (0.07 seconds)

Adaptive rendering of hypermedia documents

US Pat. 6626958 - Filed Nov 18, 1998 - Microsoft Corporation

In addition, server system 12 tailors the instruction **stream** to **render** the information page in a format that most efficiently utilizes the characteristics ...Adaptive rendering of hypermedia documents

US Pat. 6631498 - Filed Nov 18, 1998 - Microsoft Corporation

In addition, server system 12 tailors the instruction **stream** to **render** the information page in a format that most efficiently utilizes the characteristics ...Methods, apparatus, and systems for storing, retrieving and playing multimedia data

US Pat. 6725421 - Filed Sep 7, 1999 - Liberate Technologies

Upon receipt of the paint **stream** 145, the client processing resources can **render** 150 the multimedia content. Embodiments of the invention for which the ...Methods for fast HTML rendering

US Pat. 7065704 - Filed Jul 18, 2002 - Embedded Internet Solutions, Inc.

During such conditions, progressive **render**-ing of HTML data **stream** can be utilized to ensure good user experience by enabling fast display of Internet web ...
TECHNIQUE FOR IMPLEMENTING BROWSER-INITIATED USER-TRANSPARENT
 NETWORK-DISTRIBUTED ADVERTISING AND FOR INTERSTITIALLY DISPLAYING AN ADVERTISEMENT,
 SO DISTRIBUTED, THROUGH A WEB BROWSER IN RESPONSE TO A USER CLICK-STREAM

US Pat. 6990630 - Filed May 31, 2002 - Unicast Communications Corporation

... of the play queue so as to **render**, through the output device, an advertisement,
 ... user click **stream** so as to detect the user navigation event and, ...Tagging XML query results over relational DBMSs

US Pat. 6934712 - Filed Mar 19, 2001 - International Business Machines Corporation

Depending upon the operator's setting, it can signal end of **stream** on an empty input **stream**, or it can **render** a result for the empty input **stream**. ...Methods and systems for rendering electronic data

US Pat. 7024621 - Filed Oct 30, 2000 - RenderX

... this permits in **stream** processing with minimal processor utilization. ...
 Next, an output format for rendered data is used in step 60 to **render** these ...Dynamic setting of navigation order in aggregated content

US Pat. 6918090 - Filed Jan 23, 2002 - International Business Machines Corporation

12 indicates that the portlet JSP (or, alternatively, a JSP used to create a navigation area or other type of area) is called to **render** a markup **stream**. ...Methods, techniques, software and systems for rendering multiple sources of input into a single output

US Pat. 6684370 - Filed Oct 17, 2000 - Thoughtworks, Inc.

A generic sample template 22 is which a data **stream**, for example, ... the **render**-engine 30 replaces the placeholder 42 by its globally defined 65 ing ...Methods and systems for objects supporting structured language persistent state

US Pat. 6799301 - Filed Sep 19, 2000 - Microsoft Corporation

A converter first converts a structured language document to a **stream** in a ...
 The storage is converted into a **stream**, and the **stream** is placed into the RTF ...
